

Shared Data Promotional Tariffs

1. These terms are for the following shared data tariffs:

- Shared UK business data 10GB
- Shared UK business data 20GB
- Shared UK business data 30GB
- Shared UK business data 50GB
- Shared UK business data 75GB
- Shared UK business data 100GB
- Shared UK business data 150GB
- Shared UK business data 200GB

2. Additional users can be added to the tariffs above for a fee.

3. Data usage is measured in megabytes (Mb). 1Mb = 1024 Kilobytes (Kb), 1024 Mb = 1 Gigabyte (Gb).

3. Shared data is only available when added to selected existing Business Sharetariffs, Best for Business Pay as you Use Tariffs and Mobex Tariffs and is subject to availability. They are not available on or compatible with all tariffs or billing platforms, ask for details.

4. Shared data must be used in accordance with the "Web Bolt On, Smartphone Bolt On, iPhone Bolt On and BlackBerry for Business Bolt On Terms" that form part of your the Business Tariff.

5. Any shared data allowance is to the "first" mobile number on your account and can be shared with any nominated additional mobile numbers on your account. If you have shared data then you will not retain any individual data allowance that may previously have been applied for that mobile number.

6. Any unused data will not roll over at the end of the month.

7. Data usage outside the shared data bundle allowance is charged at 2p per MB.

8. Data usage outside the shared data bundle is rounded to the nearest kilobyte on a daily basis and charges are rounded up to the nearest 1p.

9. You will be billed for the amount of data that travels over the data network. Please note that your bill may include charges for re-sent data packets and packets added to control the flow of data over the network.

10. A Minimum Period of 24 months applies when added to a Business Share tariffs, Best for Business Pay as you Use Tariff and Mobex Tariffs at the point of connection. The Minimum Period is 3 months, if added to a voice tariff after initial purchase date.

11. The shared data tariff data allowance does not incorporate data roaming rates which will be charged at the usual data roaming rates. Roaming is not available on 4G.

12. There will be selected 4G access versions of the tariffs set out above for an additional fee. Check website or go in store for details of which package you can get 4G access on.
