

O2 SMART HOME SERVICES TERMS AND CONDITIONS (“TERMS”)

These terms apply if you are on Smart Home (previously O2 Home) from 23 October 2017.

SUMMARY

If You’ve subscribed to O2 Smart Home, the Terms and Conditions tell You what You need to know and set out both of our rights and responsibilities so please read them carefully and make sure You understand them. We also recommend that You keep a copy safe for future reference.

If You use O2 Smart Home, whether the O2 Smart Home account is in Your name or not, then You accept these Terms and Conditions.

Here’s a brief summary of some key points and where to look in the Agreement for more details.

Your eligibility & restrictions: There are certain things You need in order to be eligible for O2 Smart Home (“Minimum Requirements”).

- You need to be over 18,
- a UK resident,
- pass a credit check if We run one,
- and pay by Direct Debit.

You’ll also need 24/7 access to broadband internet, good O2 mobile network coverage at the Premises (we mean the address where your account is registered) and a spare ethernet socket for Your O2 Smart Home Hub. You’ll need the consent of the property owner, if that’s not you. If You want to use an O2 Smart Home thermostat You’ll need another spare ethernet socket and a working central heating system. You’ll also need good mobile or wifi coverage whenever You want to use the O2 Smart Home App on Your mobile or tablet.

See paragraph 2 of Your Agreement for more details.

Fully Integrated Equipment, like door locks and thermostats, can be used on their own even if You cancel the O2 Smart Home service but all other O2 Smart Home Equipment can only be used with O2 Smart Home. You can’t get O2 Smart Home everywhere, which means if You move house You might not be able to take the Service with You.

Your minimum term: Your Agreement lasts for a minimum of 12 months (“Minimum Period”) and then it continues on a month-by-month basis until either of Us ends it. If You cancel after Your Change-Your-Mind period but before Your Minimum Period ends, You will have to pay a fee of no more than Your Monthly Subscription Charges multiplied by the number of months left in Your Minimum Period. Paragraphs 7 and 10 of Your Agreement give you more information about Your Minimum Period.

You can change Your mind: You have the right to change Your mind and cancel this Agreement. And then return O2 Smart Home equipment You’ve got from Us:

- You can cancel the O2 Smart Home service and this Agreement within 14 calendar days (“Change-of-Mind Period”) of Us setting up Your O2 Smart Home Service for You (“Set-Up”). You agree to the Service starting immediately after Set Up so You will have to pay for any Services You’ve used during the Change-of-Mind Period.
- **You can cancel the supply of any Fully Integrated Equipment (like door locks and thermostats) at any point until they’ve been installed. After that Your Change-of-Mind Period for this Equipment ends. If Your Fully Integrated Equipment was given you as part of a Service Pack and You cancel the service during the Change-of-Mind Period but after Fully Integrated Equipment has been installed You will have to pay for Fully Integrated Equipment as if You bought it on an equipment-only basis.**

You can change Your mind and cancel Your order for Additional O2 Smart Home Equipment within 14 calendar days from delivery (or if the equipment needs professional installation, from the installation date of that Equipment). If you agreed to pay for Additional Equipment by taking out a credit agreement with Us to spread payments, you will have to return all the Equipment identified on your credit agreement (“Spread Payments Plan”).

Let Us know within the Change-of-Mind Period if You want to cancel. You’ll have 14 days after that to return any Equipment. For full details on how to change Your mind and return equipment see <http://www.o2.co.uk/help/phones-sims-and-devices/our-change-of-mind-policy> or Paragraph 8 of Your Agreement.

How we deal with faults: We’re legally obliged to supply goods that conform to this Agreement and We use reasonable skill and care in providing the Services.

The Service is not fault-free and can be affected by things like the speed and quality of Your broadband service or the thickness of the walls in the Premises.

We can’t promise that You will always get an SMS notification every time a sensor is triggered. Or that SMS notifications that are sent to You will be delivered straight away or successfully. Because of this We limit our potential liability to You in the event of a dispute and We strongly recommend You take all precautions to protect Your property, like getting the right insurance.

Let Us know as soon as a problem arises. Here’s our Returns and Repairs Policy: <http://www.o2.co.uk/help/phones-sims-and-devices/our-returns-and-repairs-policy>. More details are in Your Agreement at paragraph 9, but here’s a quick summary:

- If any of the Equipment We supplied to You is faulty, then if You return it in the first 6 months, You can get a free repair or replacement. If it’s returned in the first 30 days, You might be entitled to a refund. If Your Equipment comes with a warranty You may also be able to ask for a repair or refund under that, but it does not affect Your statutory rights.
- If You are concerned that We didn’t carry out Your installation correctly We will carry out the installation again or, if We cannot do that, We will arrange a credit or price reduction to Your O2 Smart Home account.

- If You can prove that the App has a fault which has damaged the device on which it was downloaded and We haven't used reasonable skill and care, then You may be entitled to a repair or some compensation for the damage.

What We expect of You: We expect You to comply with this Agreement and any reasonable instructions that come with the Equipment, and to pay all the Charges, on time and by Direct Debit, unless We've agreed otherwise. The Monthly Subscription Charges will be billed to You monthly. You can buy Additional Equipment on an Equipment-Only basis, for an upfront-fee. We have the right to charge interest and fees if You're late paying Us.

We can end this Services Agreement for a number of reasons, including;

- if You don't pay the charges or
- if We think You're using the Service or Equipment in a manner which is illegal, fraudulent, contrary to instructions or user manuals given with the Equipment, or in any way that is harmful to others or to our network.

For details on when We can terminate this Agreement, see paragraph 10.

We process Your data: We will process information about You and collect information on how You use our Services. This includes third party services You use in conjunction with our Services, for example Your location and account activity. We do this to enhance Your overall experience with Us and make it more relevant to You.

We may use and analyse Your personal details to help Us run Your Service(s) and account, including for credit checking and fraud prevention. We may share and combine that data and Your information with carefully selected third parties for the same reasons. Your information is treated in accordance with our Privacy Policy, which you can read here:
<http://www.o2.co.uk/termsandconditions/privacy-policy>.
