O2 will normally only require access to the Site during these working hours, but may, on reasonable notice, require the Customer to provide access at other times.
- 5.7 The Customer will notify O2 immediately if any limitation to reasonable access to Equipment, other CPE or a Site is likely to occur. O2 may charge the Customer for any costs or expenses incurred as a result of O2 Representatives being unable to access the Site at the agreed time. The Charges may include the payment of Charges for the Services as if they had commenced, irrespective of whether that is the case.
- 5.8 O2 will not be liable for any breach of this Agreement (including, without limitation, the Service Levels) to the extent that any failure by O2 to perform its obligations is as a result of O2's Representative not being granted access to any Site by the Customer or a failure of the Customer to fulfil its obligations under this Agreement.

Where Equipment is expressly provided on an “as is” or similar basis, O2 shall have no liability for defects other than latent defects which could not have been apparent from a physical inspection of the Hardware.
- 6.3 Risk in an item of Hardware shall pass to the Customer:
- a) when that item of Hardware has been delivered, if O2 is to deliver the item of Equipment; or
 - b) if the item of Hardware is to be collected by the Customer, when the Customer takes possession of that Equipment, and

- 7.2 Until title in the Transferring Equipment has passed to the Customer, the Customer undertakes not to sell, transfer, lease, charge, assign by way of security or otherwise deal in or encumber the Transferring Equipment in any way and that it shall keep such Transferring Equipment in good working order and insured for its full replacement value allowing for fair wear and tear during the period of use by the Customer.
- 7.3 If the Customer is in breach of any of the conditions of clause 7.2 of these Fixed Terms prior to the date on which the relevant payment has passed to the Customer;

The Customer may request information specifying the basis for the additional Charges.
- 10.2 Where, in order to meet the Customer's requirements:
- a) O2 considers it appropriate to provide the Fixed Services, wholly or in part, by non-standard means or at substantially greater expense than O2 normally incurs, so that O2's standard tariffs would be inappropriate; or
 - b) at the Customer's request, the Fixed Services are provided at greater expense by reason of the type of materials used, the length, or the manner of installation, than O2 normally incurs,

O2 may determine, in addition to any standard Charges payable, a supplementary Charge in relation to the relevant order for the Fixed Services and O2 will notify the Customer in writing of any such

Where such special terms and conditions are notified to the Customer, the Customer may cancel the relevant Fixed Services within 14 days of the written notice. - 10.5 For the avoidance of doubt, any supplementary Charge or special terms and conditions notified in accordance with clause 10.4 of these Fixed Terms will not constitute a variation to this Agreement for the purposes of clause 12 of the General Conditions.

11 FAULT RESPONSE

- 11.1 O2 shall provide fault response for Fixed Services in accordance with the applicable Service Schedule.
- 11.2 If the Customer reports a fault and O2 or O2's Representative finds that there is no fault or that the fault was caused by the Customer, the Customer must pay O2 the Charges for any work carried out by or on behalf of O2 in relation to the Customer's fault report at the relevant rate on the O2 Website or the Commercial Schedule for the professional services performed.

12 O2 SUPPLIERS
