2 SECURITY SERVICE

- 2.1 The McAfee Multi Access Service and McAfee Mobile Security for iOS are “Security Services” which provide security for Devices. The Security Service comprises of individual security products; each component is an individual, standalone McAfee product. The Security Service is made up of the individual products listed below. Each one covers a specific Device’s security, and together comprises a multi-device solution managed as one. The individual McAfee products are (i) McAfee Total Protection for PC (MTP) (ii) McAfee Internet Security for Mac (MIS) (iii) McAfee Mobile Security for Android (MMS) (iv) McAfee Safekey (MSK) and (v) MMS for iOS.

The Security Service provides an initial bundle of support for up to 5 devices (MMA_5) and is also provided with MMS for iOS. Each MMA_5 has its own associated account which is accessed via My Business Apps.

If the Customer requires additional Devices to use the Security Service the Customer can purchase additional MMA+1 Licences in any quantity required. Each MMA+1 must be linked with an existing MMA_5 account on My Business Apps.

- 2.2 The Subscription to use the Security Service requires the Customer to connect and maintain a minimum of one (1) MMA_5 Licence for the Minimum Period of the Subscription.
- 2.3 Subject to 2.2, the Customer may add or remove any number of Licences during the Minimum Period of the Subscription.
- 2.4 2.4 All Licences will automatically co-terminate at the end of the Minimum Period of the Subscription.

3 CUSTOMER OBLIGATIONS

- 3.1 The Customer is responsible for installing and using the Security Service on the Customer's Devices.
- 3.2 The Customer is responsible for ensuring their Devices are compatible with the Security Service. The Customer can confirm compatibility of their Devices via the following website which details the system requirements of each of the McAfee products contained within the Security Service <http://home.mcafee.com/store>
- 3.3 The Customer shall keep its log-on credentials secure at all times and shall only grant access to such details to those persons it deems appropriate. O2 will have no liability to the Customer for any misuse of such log-on credentials by any Customer employee or third party.
- 3.4 The Customer must have an account created and set up on the My Business Apps service provided by O2 before any order for the Security Service can be placed.

4 TERM AND TERMINATION RIGHTS

- 4.1 Unless otherwise stated in the Commercial Schedule, the Security Service is available to purchase with a Minimum Period of 30 days. The Customer will continue to be charged the monthly rental charge until the Customer cancels the Subscription to the Security Service in accordance with clause 4.2.
